No.2024-25/02 **Dated : 14.06.2024**

2) DISTRIBUTION OF MANGO PLANT IN FRONT OF NILDARPAN AUDITORIUM ON 14.06.2024

Tree plantations can have many environmental benefits, including: Trees provide food, shelter, and breeding grounds for many species, including animals, plants, and fungi. They also purify water and stabilize soil, which helps these species thrive. Healthy ecosystems are more resilient to environmental changes. Trees help fight climate change by taking in carbon dioxide and producing oxygen through photosynthesis. They can also help reduce greenhouse gas emissions and improve air quality by providing oxygen and filtering carbon dioxide.

In the light of the above,Basanti Memorial Charitable Trust being an Organisation committed to the society,we have organised a Mango plant distribution programme on the 14th June 2024 in front of' 'NILDARPON' Auditorium, Bongaon taking the opportunity to distribute among the gatherings on account of a cultural programme organised by SHRUTI-NIRH. Four Hundred (400) Mango plants were distributed among the audience of the programme.

Our efforts was highly praised by the local people which was also reported in the local newspaper as headline.

No.2024-25/03 **Dated : 14.06.2024**

3) BLOOD DONATION CAMP: ORGANIZED ON 14.06.2024

The purpose to organize a blood donation camp is to motivate people to donate blood for commitment to the society. Blood donation is a divine experience.There is no alternative of blood to save life in case of need.The only source of blood is human body.

Keeping in mind our social responsibilities, On 14th Day of June,2024 , on the eve of International voluntary blood donor day ,on behalf of BASANTI MEMORIAL CHARITABLE TRUST,Bongaon,we have organised a blood donation camp in collaboration with Bongaon Blood Centre of Bongaon J.R.Dhar Sub -Divisional Hospital. The camp was organized at the campus of the Hospital.The Superintendent of the hospital, Medical officer in Charge of Bongaon blood centre along with other dignitaries of various NGOs, social workers were present in the camp. 112 units of blood were collected. A good number of staff of the hospital, doctors including MOIC, Bongaon Blood Centre donated blood in the camp. Many residents of the locality participated in the blood donation camp and received certificates of participation. 5) (ENVIRONMENT)

MANGO PLANT(150) DISTRIBUTION AMONG THE STUDENTS

Trees hold immense significance for our existence. They provide us with the essential oxygen necessary for survival on this planet. The life-giving oxygen they release is crucial for humans and other living species. But that's not all – trees benefit the environment and living beings alike. In addition to producing oxygen, they also absorb harmful gases from the atmosphere, mitigating the impact of global warming and to maintain ecological balance.

Considering the gravity of the situation,our beloved Organization Basanti Memorial Charitable Trust,Bongaon decided to organize free distribution of mango plants through various schools to develop the sense of responsibility and to make the students aware about the importance of tree in human life,.We have distributed 75 nos. of mango plants among the students of BIBHUTI BHUSHAN PRIMARY SCHOOL,KHAIRAMARI,15 no.
